

I'm Glad You Asked

How do you know there's a God?

**How can there be a good God
with so much suffering?**

*Ever wonder how to talk with your non-
Christian friends about Christianity?*

*Ever been afraid to talk to your non-
Christian friends about Christianity
because of the questions or objections
that they may have?*

*Have questions of your own that are
difficult to answer?*

This class contains some basic Christian apologetics with a twofold purpose; to help remove intellectual barriers to the Christian faith for seekers, and to equip and encourage believers that their faith rests on a firm foundation.
